Come to Baolai Street and drive uphill for a while, and you will find yourself in the place where most of Baolai's hot spring villas are gathered. The hot springs are drawn from the Baolai River and are carbonic springs with a temperature of about 60 °C. As the spring villas are near beautiful mountain forests, you can arrange to explore the mountain scenery, return to the villas afterward, and enjoy bathing in the hot spring. All your tiredness and aches will be melting away!
